Bengaluru

Dear Doctor,

Greetings from **Micro Eros**, a division of **Micro Labs Ltd.**, and **Trustwell Hospital**.

As a leading pharmaceutical company committed to **scientific advancements**, Micro Labs Ltd. actively fosters medical knowledge through the **Micro Knowledge Academy**.

We are pleased to invite you to the **8th ENTrain Hybrid Workshop**, a premier academic event dedicated to ENT Head & Neck surgeons, scheduled for **18th-19th July 2026**.

Over the past seven years, **ENTrain** has evolved into a **distinguished platform** for surgical learning. The workshop is meticulously designed based on inputs from **leading ENT surgeons across India**, ensuring the most relevant and impactful surgical case selections.

Workshop Highlights:

Live Surgery: Surgeries for hands-on learning

Panel Discussions: Expert insights and case-based discussions

Instructional Sessions: Focused learning from top faculty

Expert Speak: Thought leadership from distinguished ENT surgeons

This two-day academic feast will provide valuable insights into advanced surgical approaches and clinical challenges in ENT Head & Neck practice, equipping you with skills to enhance your day-to-day practice.

We look forward to your participation in this knowledge-sharing initiative.

Why Thousands of ENT Surgeons Trust ENTrain for Their Academic Growth?

1. Earn CME Credit Points

- Accredited by Karnataka Medical Council.

2. Registration Absolutely Free

- No registration fee for ENT surgeons and PG students.

3. Download Two Exclusive ENT Resources

- Current Concepts in Otolaryngology
- Pocket-Friendly Atlas of Temporal Bone Dissection

4. Watch Renowned Experts Perform Live Surgeries

- Learn surgical tips, tricks, and decision-making directly from master surgeons.

5. Interact Directly with National & International Faculty

- Ask questions and clarify practical challenges during live sessions.

6. Access Previous ENTrain Workshop Content

- Registered delegates can access selected academic content through the ENTrain Portal – www.entrain.live

7. Certificate of Participation

- Enhance your academic profile with an official ENTrain certificate.

8. Case-Based Learning for Everyday ENT Practice

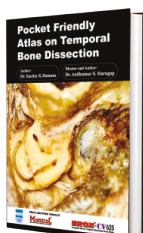

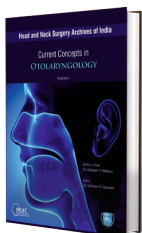

- Focused on common surgeries and real-world clinical scenarios.

9. Exclusive Academic Initiative

- A purely educational, non-commercial platform dedicated to ENT learning and skill enhancement.

10. Learn from 35+ Distinguished ENT Experts

- Covering Otolaryngology, Rhinology, Head & Neck Oncology, Laryngotracheal Surgery, Bronchoesophagology, Neurotology, Implantology, Phonosurgery, Sleep Surgery, Allergy, Vertigo, Skull Base Surgery, Sialendoscopy, Eustachian Tuboplasty and more.
