Dear Doctor,

Greetings from **Micro Eros, a division of Micro Labs Ltd., and Trustwell Hospital.**

As a leading pharmaceutical company committed to **scientific advancements**, Micro Labs Ltd. actively fosters medical knowledge through the **Micro Knowledge Academy**. We are pleased to invite you to the **7th ENTrain Hybrid Workshop**, a premier academic event dedicated to ENT Head & Neck surgeons, scheduled for **22nd-23rd February 2025**.

Over the past six years, **ENTrain has evolved into a distinguished platform** for surgical learning. The workshop is meticulously designed based on inputs from **leading ENT surgeons across India**, ensuring the most relevant and impactful surgical case selections.

### Workshop Highlights:

**Surgical Sessions:** Surgeries for hands-on learning

**Panel Discussions:** Expert insights and case-based discussions

**Instructional Sessions:** Focused learning from top faculty

**Expert Speak:** Thought leadership from distinguished ENT surgeons

This two-day academic feast will provide valuable insights into advanced surgical approaches and clinical challenges in ENT Head & Neck practice, equipping you with skills to enhance your day-to-day practice.

We look forward to your participation in this knowledge-sharing initiative.
